Please see the request from Anna, below. Is this something you all could work on once Idaho is complete? Thanks!

Thanks Janita. Only finer point to make is that we need TPs on the legal issues specifically, if possible. Attached is sufficient background, process, etc. material, but would like additional language on the treaty+CWA issues specifically.

Thanks

**Subject:** REQUEST: Talking points on Idaho/Washington for April 10 NTOC meeting

Hi David,

We were discussing the upcoming National Tribal Operations Committee (NTOC) meeting on April 10, and Anna mentioned the need for talking points related to Idaho and Washington. Her preference is that OGC prepare the initial draft discussing the high-level treaty issues, CWA requirements, Idaho, Washington issues, etc. We'd then have our communications folks and Anna review and finalize the paper for use, as needed, at the NTOC meeting. Can you ask your staff to start developing talking points for this purpose? Please let us know if you have any questions or concerns.

Anna – please follow-up if there were other key points to address in the talking points.

Thank you,  
Janita
